

The Graceful Connection

September 2024

Latest News from the Town Village Audubon Park Newsletter

September is a significant month in our community as we recognize both World Alzheimer's Month and National Assisted Living Week as our Featured Celebrations. This year's theme for National Assisted Living Week is "Inspiring Generations," a reminder of the lasting impact we have on each other across all ages. Throughout September, we'll raise awareness about Alzheimer's disease, emphasizing the importance of understanding and supporting those affected. Then, in line with the theme of Inspiring Generations, we'll celebrate the heart of our community during National Assisted Living Week—our residents, families, and dedicated team members—by visiting the decades of the a generation and celebrating with fun daily events centered on each decade. We will also be inviting you to share your wisdom to inspire and connect with future generations. Join us for a series of events and activities designed to educate, inspire, and bring us closer together as we honor the generations within our community.

Have a great week!!

Ashlea Smalley, EdD
National Director of Memory Care & Life Enrichment
